### DESCRIPTION

This landmark community based building was commissioned and developed by the Carrigaline and District Lions Club with support from SECAD and various public bodies. The 550m2 building consists of a youth café, activity room, soundproof recording studio, IT room, as well as offices and meeting spaces. The building is contemporary in design and is distinguished by the external cedar wood framing and vertical fins.

### KEY FEATURES

- Extensive coordination and design development was required to ensure the exact construction tolerances and finishes were successfully achieved.
  - Significant value and cost engineering during the course of the build was required to achieve the detailed design brief.
- Vision as main contractors worked hand in glove with the Design Team to construct the landmark project within the available budget.
