Cilldarragh Hs, Ferney Road,  
Carrigaline, Co. Cork.

### DESCRIPTION

This project comprised of an extension and the complete refurbishment of the existing oratory building which was built in 1923. A new extension to the original oratory, sacristy, communal room, kitchen, toilet facilities with associated services, external works and retaining walls were constructed as part of the redevelopment works.

### KEY FEATURES

- The Oratory site is bounded by the busy N28 road which is the primary route for traffic to & from the Ferry Port and the Lower Cork Harbour industrial areas.
- Traffic Management Plans were used extensively during the refurbishment works.
- Significant dates that could not be cancelled by the Church Authorities were met during the construction phase.
